Dear Parents and Guardians:

The Parent Teacher Association (PTA) of Halsey JHS 157 is an active group that supports all of the Halsey students, teachers and administration by providing funds for various school activities and volunteers at many school events. In typical years the PTA would raise money through bake sales, ice cream sales, Valentine's Day treats and in-person spirit wear sales, but this year we are extremely limited in the fundraising activities we are able to do and are having to rely primarily on Picture Day and general donations. As our afterschool clubs are starting to open we anticipate getting more requests for funds and want to be able to answer each need.

Every parent with a student at JHS 157 is a member of the Parent Teacher Association (PTA). Our school greatly needs your support to ensure that our children receive the quality education that they deserve. We are asking you to make a generous donation to the Halsey PTA. Keep in mind our school activities can only be supported if we raise enough funds for them. **All donations go towards Halsey programs and children.** We need your support to keep our programs alive! Whether you donate your time, or money, or both, you can help make this a great year for our kids.

Attached please find our Annual Appeal Fundraiser for the 2021-2022 school year. Below are just a few programs these funds support:

- Repair instruments for the band program
- Supplies for the STEM Lab
- Purchase air conditioners for the school
- Anti-Bullying/ Leadership Program
- Support Green Team
- General Support for classroom and talent teachers

Any donation amount will be greatly appreciated. Every little bit helps!
